Resident Spotlight

Rose Denn

This month, we're shining the spotlight on Rose! Born in Melrose, MN, and raised in St. Paul, Rose has a lifetime of wonderful memories, family traditions, and stories to share.

Rose attended St. Bernard's Catholic School and Washington High School. As the third youngest of nine children, family has always been an important part of Rose's live. One of her favorite childhood relatives was her sister Delores, who took her under her wing and helped care for her.

Rose worked as a secretary and enjoyed hobbies like dancing and playing cards. She also loves Italian food and enjoys listening to all kinds of music.

One of Rose's greatest joys is her family. She is especially proud of the life she built with her husband and their four children - two boys and two girls. Rose met her husband in Hastings at a dance, and their love story became a treasured part of her life. They were married for 65 years.

After her husband passed away, Rose's children found Tradition, where she could feel supported and at home. We're so happy to have Rose as part of our family and love getting to know more about her life.

Thank you, Rose, for sharing your story with us!
